

Dear Management,

We are happy to announce The Cupcake Girl's Bowl for Justice Fundraiser! We hope you will join us, along with our other donors, board members, volunteers, and friends to raise money for The Cupcake Girls, while celebrating the impact we have made in our communities.

The Cupcake Girls is a non-profit organization that is focused on providing non-judgmental, confidential support and resources to those involved in the sex industry, as well as aftercare for those affected by domestic sex trafficking in Las Vegas and Portland. Many of our clients are facing issues such as lack of health and dental care, mental health, financial or legal resources, peer support, while others are survivors of sex trafficking and have suffered physical, sexual and emotional abuse.

We strive to empower our clients by offering respect, resources, and relationships. Within the last seven years we have been able to offer our clients fundamental resources such as, individual case management meetings, peer support groups, sessions with professional doctors, dentists, and lawyers, mental health assistance, (including suicide screenings), career counseling and resume building, education support, family resources, rent assistance, housing referrals and financial planning referrals, including tax advising.

This organization, our resources, and all the courageous lives that we have touched would not have been possible without the persistent support of our board members and staff, the unwavering passion of our volunteers and donors, and the generous financial partnership of sponsors like yourself!

The purpose of this letter is to give an opportunity to prospective sponsors to be part of our growth, and to take a step forward in creating real, sustainable change in our communities, and in our clients' lives. We hope you will join us for our Bowl for Justice Fundraiser on October 13th in Las Vegas, or October 19th in Portland. . We would love to have your business as a partner of The Cupcake Girls for this special event. I look forward to discussing our partnership with you.

Peace, Love & Cupcakes,

Joy Hoover
